**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We do use a provider that uses UNE's and we like that they are an up an coming competitor. Sonic is our provider and we are very pleased. To take that away would hurt the company and us as a consumer. Please make the fiber available for the household community with the UNE's. We previously had our cable with another company and they did not meet our needs. This is a way to have our phone and internet connection at a reasonable cost and the speed is way better. With the other competitors it had to be two companies.

Please don't take this away
